

Client Notice

9/26/2025

Property: Alterra HOA

For October, our spray day(s) will be on your weekly service day, Monday through Friday, between the hours of 7:00 AM and 3:00 PM. Treatments will be conducted only as needed, according to the schedule below. Links to the chemicals we use are included for reference. During application, we will place signs to inform visitors of ongoing work. For additional information, feel free to contact us at info@bemus.com.

CAUTION – PESTICIDES ARE TOXIC CHEMICALS. The California Department of Pesticide Regulation and the United States Environmental Protection Agency allow the unlicensed use of certain pesticides based on existing scientific evidence that there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours following application of a pesticide, a person experiences symptoms similar to common seasonal illness comparable to influenza, the person should contact a physician, appropriate licensed health care provider, or the California Poison Control System (1-800-222-1222).

For further information, contact any of the following: for Health Questions – [Los Angeles County Department of Public Health](#)-(833) 540-0473, [Orange County Health Care Agency](#)-(855) 886-5400, [Riverside County Department of Environmental Health](#)-(888) 722-4234, [San Bernardino County Department of Public Health](#)-(800) 782-4264, [San Diego Health and Human Services Agency](#)-(858) 694-3900 and for Regulatory Information – the Department of Pesticide Regulation (916) 324-4100.

The approximate date, time, and frequency of this pesticide application is subject to change.
